The GLIO VettaFi Global Listed Real Assets Index is designed to measure the value of listed equities which provide exposure to listed real assets across the globe.

About the GLIO VettaFi Global Listed Real Assets Index Series

- VettaFi has partnered with the Global Listed Infrastructure Organisation (GLIO), the representative body for the \$3.5 trillion market capitalization listed infrastructure asset class.
- GLIO raises investor awareness for the asset class through research, data, education, and events
- Real Assets have an inherent value due to their tangible, physical characteristics and attributes. They can act as a store of value and are fundamental to a functioning economy.

Performance of \$1,000 invested
