## About VettaFi

VettaFi is a differentiated index provider, helping asset managers across the globe build and grow their product suites. With an industry-leading index platform, it partners with issuers to develop innovative investment solutions and bring them to market. Beyond that, its modern distribution solutions help clients scale products and achieve success.

It is not possible to invest directly in an index. Index performance does not reflect the deduction of any fees or expenses. VettaFi does not sponsor, endorse, sell, or promote any investment product linked to or based on the ROBO Global Robotics and Automation UCITS Index. The ROBO Global Robotics and Automation UCITS Index is the exclusive property of VettaFi, which shall have no liability for any errors or omissions in calculating the Index.
