Market Capitalization

VettaFi is a differentiated index provider, helping asset managers across the globe build and grow their product suites. With an industry-leading index platform, it partners with issuers to develop innovative investment solutions and bring them to market. Beyond that, its modern distribution solutions help clients scale products and achieve success.

It is not possible to invest directly in an index. Index performance does not reflect the deduction of any fees or expenses. VettaFi does not sponsor, endorse, sell, or promote any investment product linked to or based on the VettaFi US 100 Standard Fund-Tracking Index. Performance is provided on a total-return basis. Correlation is based on monthly data over the trailing 120 month period. Percentage of positive months, standard deviation, value of $1,000, and Sharpe ratio comparisons are based on monthly data over the trailing 120 month period. The VettaFi US 100 Standard Fund-Tracking Index is the exclusive property of VettaFi, which shall have no liability for any errors or omissions in calculating the Index.
